Replacing the Old With the New Up-and-Coming

CKC, a segregated portfolio company of ChainBLX-SPC, is a Cayman Islands cryptocurrency fund whose performance is managed by CKC Management LLC (a U.S. entity) under contract from ChainBLX-SPC.

CKC is a close-ended crypto investment fund located in the Cayman Islands. CKC's investment mandate is to exceed Bitcoin's growth trajectory and to reduce volatility by actively managing investments with asset allocation in:

- 1) Interest-yielding masternodes
- 2) Diversified Altcoin and Bitcoin positions
- 3) Accumulation of valuable assets in the NFT market

Added security guide:

1. Investment strategy is set via performance-compensated external fund management company.
2. CKC will only invest in blockchain and cryptocurrency firms that have been recommended or accredited by ChainBLX or are currently under accreditation by Chain BLX.
3. Each private fund in the Cayman Islands is required to have its accounts audited annually by a firm of auditors on the CIMA approved list of auditors and file such audited accounts with CIMA within six months of the end of each financial year of the private fund (along with a financial annual return in CIMA's prescribed form).

Description of applicable fees charged to the fund for any purposes, for example, but not limited to a referral fee, management fee, performance fee, fixed fee, legal compliance fee, ChainBLX related fees.
